

EDUCATION

- *Bachelor of Science** Sept. 2021~ June. 2025
China University of Geosciences Beijing - School of Earth Sciences and Resources
Project: Zinc isotope effects on basalt mantle xenoliths in Siziwang Banner, Inner Mongolia
- *Ph.D. Student** Aug. 2025~Now
University of Utah - Department of Geology & Geophysics
Project: Fe and Zn isotopic signature of the basin and range volcanism.

INTERNSHIP EXPERIENCE

- International and Trans Regional Field Practice in Lesvos, Greece** Jul.2024
University of the Aegean
- The 7th National College Students' Geological Skills Competition** Jul.2024 ~ Sept.2024
China University of Geosciences, Beijing
- Geological Survey Field Trip in Zhoukoudian** Jul.2023 ~ Aug.2023
China University of Geosciences, Beijing
- Geological Survey Field Trip in Beidaihe** Jul.2022
China University of Geosciences, Beijing

CONFERENCES

- 2023 IEEE GRSS Summer School on Modeling in Microwave and Optical Remote Sensing Aug.2023
- The 5th Summer School on Non-Traditional Stable Isotope Geochemistry Aug.2024

TECHNICAL AND LANGUAGE SKILLS

- **Programming languages:** Python, R, MATLAB
- **Software:** Adobe Illustrator, CorelDRAW, Arcgis, ENVI, Origin, etc.
- **Experimental Instruments:** LA-ICP-MS, EPMA
- **Language skills:** Chinese: native speaker
English: IELTS (7)

HONORS AND AWARDS

- First Class Scholarship, China University of Geosciences (Beijing)
five times (Nov 2024; May 2024; Nov 2023; May 2023; Nov 2022)
- Third Class Scholarship, China University of Geosciences (Beijing)
once (May 2022)
